

Dear colleagues!

We are pleased to invite you to participate in the third **FIG Commissions 5 and 6 Workshop on “Innovative Technologies for an Efficient Geospatial Management of Earth Resources”** organized by the International Federation of Surveyors (FIG), Mongolian Association of Geodesy Photogrammetry & Cartography (MAGP&C) and Siberian State Academy of Geodesy (SSGA). The workshop will be held for the first time in **Ulaanbaatar, Mongolia, on September 4-8, 2011.**

General sponsor

Monmap Engineering Services Company, Ltd., Mongolia

Organizers

- International Federation of Surveyors (FIG)
- Siberian State Academy of Geodesy (SSGA)
- Mongolian Association of Geodesy Photogrammetry & Cartography (MAGP&C)

Co-organizers

- International Society for Photogrammetry and Remote Sensing (ISPRS)
- Mongolian Government Implementing Agency, Administration of Land Affairs, Construction, Geodesy & Cartography (MALACG&C)
- Mongolian University of Science and Technology (MUST)
- Mongolian State University of Agriculture (MSUA)

Key issues to be discussed are follows:

- Prediction of Earth’s Surface and Engineering Structures Deformations and Movements in Areas of Tectonically and Technogenically Active Hazardous Zones Using Geodetic Observations
- Airborne Lidar and Terrestrial Laser Scanning Systems. Their Usage in Architecture, Civil and Mining Engineering, Industry, Ecology, Oil and Gas Production
- Engineering and Mine Surveys for Exploration and Prospecting of Mineral Resources
- GIS Technologies for Designing, Construction, Operation and Maintenance of Engineering Objects and Facilities in Mining Industry, and Ecology
- Geospatial Data Infrastructure
- Real time GNSS Application in Navigation, Mapping, and Geodetic Monitoring of Vast Territories and Engineering Structures
- Earth Remote Sensing Using Aerial Photography, Satellite Imagery and Airborne LiDAR Survey
- Application of Remote Sensing Data and Geodetic Observations in Forecasting and Crisis and Emergency Management

Round-table discussion

Call for papers

Deadline for submission of full papers: **15 July 2011**

Proceedings will be available in print and a CD.

The conference language is **English**.

Registration fee: 100 \$ USA

ORGANIZING COMMITTEE:

Chairmen:

- Dr. ENKHTUVSHIN Baatar** President, Mongolian Association of Geodesy, Photogrammetry and Cartography (MAGP &C) Mongolia
- Prof. Dr.-Ing. Rudolf Staiger** FIG (International Federation of Surveyors) Vice President, Bochum University of Applied Sciences, Faculty of Geodesy and Geoinformatics, Vice President Research and Development, Member of the Presidium Germany

Co-Chairmen:

- Prof. Gethin Wyn Roberts** Chair of FIG Commission 6 (Engineering Surveys), Dean of Science and Engineering, the University of Nottingham Ningbo, China
- Mikael Lilje** Chair of FIG Commission 5 (Positioning and Measurement) Manager, Geodesy Department, Lantmäteriet (the Swedish Mapping, Cadastral and Land Registration Authority), Sweden
- Prof. Vladimir A. Seredovich** Vice Chair of FIG Working Group 6.3, Vice Rector for Innovative Activity, Siberian State Academy of Geodesy Russian Federation
- Dr. SAANDAR Mijiddorj** President, Monmap Engineering Services, Mongolia

Vice Chairmen

- Dr.-Ing. Ivo Milev** Managing Director, technet-rail 2010 GmbH, Beuth University of Applied Science Berlin, Germany
- Prof. Dr. Ammatzia Peled** ISPRS Second Vice President, the University of Haifa, Department of Geography and Environmental Studies, Israel

Members:

- Dr. BALJINNYAM Tomorbaatar** Head, Department of Land Cadastre, Mongolian State University of Agriculture, School of Agrobiolgy, Mongolia
- Dr. TYVSHINBAYAR Danzan** Lecturer, Mongolian State University of Agriculture, School of Agrobiolgy, Mongolia
- Prof. Dr. OYUNTSETSEG Dash** Head, Department of Geodesy and Mining Surveying, Mongolian University of Science and Technology School of Mining Engineering, Mongolia
- Prof. Dr. DAMDINSUREN Avirmed** Department of Geodesy and Mining Surveying, Mongolian University of Science and Technology School of Mining Engineering, Mongolia
- BOLORMAA Byambatseren** Senior Lecturer, Department of Geodesy and Mining

GANKHUYAG Radnaabazar

**Surveying, Mongolian University of Science and Technology
School of Mining Engineering, Mongolia**

**Head, Land Affairs and Urban Development
Department, Mongolian Government Implementing
Agency, Administration of Land Affairs, Construction,
Geodesy & Cartography (MALACG&C), Mongolia**

MUNKHTSETSEG Dalkhaa

**Senior Officer, Division of Geodesy and Cartography,
Mongolian Government Implementing Agency,
Administration of Land Affairs, Construction, Geodesy
& Cartography (MALACG&C), Mongolia**

Secretaries

Dr. SARANGEREL Usny-Ekh

**Executive Director, Mongolian Association of Geodesy,
Photogrammetry and Cartography (MAGP & C)
Mongolia**

Argina Novitskaya

**International Educational Centre, Siberian State
Academy of Geodesy, Russian Federation**

**Dr. BOLORCHULUUN
Chogsom**

**Lecturer, School of Earth Sciences, National University
of Mongolia, Research and Training Laboratory of GIS
and Remote Sensing, Mongolia**

Yours sincerely,

Prof. Dr. Alexander P. Karpik
Rector, Siberian State Academy of Geodesy (SSGA)
Russian Federation

Prof. Dr.-Ing. Rudolf Staiger
FIG Vice President, Germany

Dr. ENKHTYVSHIN Baatar
President, Mongolian Association of Geodesy, Photogrammetry
and Cartography (MAGP & C), Mongolia
