Cancellation of Annual Meeting 2020 of FIG-Commission 7 in Bern, Switzerland

Dear Colleagues and Friends,

With big regret, I have to inform that we had to take the decision to cancel the planned Annual Meeting 2020 of the FIG-Commission 7 in Bern, Switzerland. With the on-going Covid-19 situation, we consider it not feasible to carry out the Annual Meeting as a physical meeting as planned. There are still too many uncertainties, such as traveling restrictions, unclear border openings, critical situation of airlines, fear of travellers, and possibility of a second wave. The financial risk for us as an organizer now became too big, and in agreement with the Chair of Commission 7, we decided to cancel the physical meeting.

I very much regret this situation, as I would have loved to see the Commission 7 family in my home town. But it is not to be, and we have to wait and see what the future will hold. I nevertheless look forward to see you all sooner or later again; let's hope in better circumstances.

I wish you all the best, keep safe and stay healthy!!!

On behalf of the Organizing Committee

Dr. Daniel Steudler
