

FIG-Council 2019-2022

Work Plan

Rudolf STAIGER

President of FIG

International Federation of Surveyors
Fédération Internationale des Géomètres
Internationale Vereinigung der Vermessungsingenieure

Vision

Surveying is a modern profession acting worldwide for a better infrastructure for our society and planet earth.

FIG wants to keep, and even improve, its role as the premier non-governmental organisation, that represents the interests of surveyors worldwide

Volunteering for the Future !

2 questions ...

➤ Why volunteering??

➤ Volunteering for the future of what ...??

How to volunteer?

- To **promote** FIG in our personal professional environment
- To **participate** in FIG Working Weeks and Congresses
- To **encourage** and **motivate** others to participate in future FIG events and activities.
- To **contribute** actively to our events
by giving presentations, writing publications
- To **participate** actively in the work of our Commissions,
Working Groups, Networks, and Task Forces.
- To **assume responsibility** as the Officer of a Commission, Network or Task Force.
- To **support** the next generation of FIG members

Making  “Fit - for the future”

Promoting the relevance of our profession
together with our partners!

From 2015-2018: **TF on Commissions** led by VP Mikael Lilje

succession

TF on Governance not limited to Commissions.

it will investigate the **entire structure** of our Federation:

Council – Commissions – Networks - permanent Institutions -

TF on Governance led by VP Diane Dumashie

results are expected in 2 years time

Special support for a better integration

Premiere!

This year the YSN are giving a plenary presentation!

YSN-Charity-dance in Istanbul 2018

Why**2028** and not **2025** or ... **2030** ... or ... **2050** ??

Independent from FIG's Governance structure,
..... **“is FIG fit for the future?”**

The related questions are as follows:

Is the format of our events still up-to-date?

Is the way how we communicate still valid?

How to attract the next generation of surveyors?

- Working group led by Council.
- A workshop is planned in 2019 INTERGEO in Stuttgart with stakeholders from Commissions, networks, Young Surveyors, Corporate Members, MAs, ...

- Current situation:
- **FoRB** does not exist in our statutes
 - initiated by CLGE (Jean-Yves Pirlot and Maurice Barbieri)

This is an “experiment” in 2019 .. The next steps depend on the outcome !!!

- ❑ Presidents meeting has a topic
“How can MAs contribute to FIG”?

- ❑ Moved Presidents meeting
from Friday morning (9h to 10h30)
-> Thursday (15h30-17h00)

GA can start already at 9h finished at 12h30

Succession Planning

Each Commission has projects on ...

- ❑ voting of chair elects for the period 2023 – 2026 not in **2020**

the ideal time will be **2021** (ww Accra, Ghana)

Promoting the relevance of our profession together with our partners!

Who are our partners?

- **UN-FAO**
- **UN-GGIM**
- **UN-HABITAT**
- **UN-OOSA**
- **World Bank**

Who are our sister organisations?

- **IAG**
- **ICA**
- **IHO**
- **ISPRS**

17 Goals ->**169** targets -> **230** indicators

TF on SDGs led by **Paula Dijkstra** (Netherlands)

Identify the Goals where our profession has potentially the biggest impact

coordinate the activities inside FIG
