### **FIAN**

- ▶ FoodFirst Information and Action Network
- ▶ Right to food: Universal Declaration of Human Rights, International Covenant on Economic, Social and Cultural Rights (ICESCR)
- ▶ Programme Access to Natural Resources

## Study: “Civil Society Perspectives on Monitoring the Voluntary Guidelines on the Responsible Governance of Tenure of Land, Fisheries and Forests”

- 1) Mapping of monitoring initiatives in the context of tenure of natural resources
  - ▶ Schematic categorization
  - ▶ Existing CSO monitoring initiatives

- 2) Civil society perspectives – expectations and recommendations
  - ▶ Human rights based
  - ▶ National, regional and international levels
  - ▶ Relevant indicators and benchmarks
    - ⇒ structures, processes, outcomes

- ▶ Qualitative and quantitative information
- ▶ Inclusive and participatory monitoring
- ▶ Link to human rights reporting mechanisms
- ▶ Include into monitoring mechanism at CFS
